27/07/17

We have been granted planning permission for our new  
Indoor School!!

Cheshire West & Chester Council

Application No: 18/00749/FUL

---

**Notice of Planning Permission**

---

Mr P Latham c/o Mr Daniel Hughes PWA Planning 2 Lockside Office Park Lockside Road Preston PR2 2YS	<b>Application Number:</b> 18/00749/FUL
	Building Control Ref.
	26 July 2018

---

**Town and Country Planning Act 1990**

**Proposal:** Development of indoor equestrian arena and warm up area

**Location:** Organsdale Farm , Middlewich Road, Delamere, Northwich, CW6 0SR

---

In pursuance of their powers under the above Acts, the Council hereby grants **PERMISSION** for the above development to be carried out, subject to compliance with the following conditions:

This is great news and it's taken a lot of time to get this far. The next steps for us are to discharge the conditions that have been placed upon us before work starts. There's still much to do before work on our site begins including securing funding and appointing a myriad of professionals and contractors to carry out the ground work, construction and fit out of the centre.

The new development will include two indoor arenas, a 30m x 60m warm up and 45m x 70m competition arena with spectator seating for 350, a café, retail space and extra stables for the camp market. Together these new facilities will hopefully deliver a first class competition environment and a whole new range of opportunities for you to participate in at Kelsall Hill.

We'll keep you updated as progress continues, it's exciting times at Kelsall Hill!
