

Clothing & Equipment

1. All riders must wear correctly fitted BSI Skull Caps to the current safety standard. (PAS 015, VG1 01040, ASTM F1163 – (2004a or 04a onwards), SNELL E2001 or E2006, AS or NZS (3838 2006 onwards)
2. Approved riding footwear must be worn
3. Up to standard (purple label 2009) Body Protectors are compulsory

Using the BE Cross Country course

1. Make sure you have the centre phone number on your phone 07809 689972.
2. Stick to your start and finish time.
3. Some of the jumps may also be closed for ground or jump repair.
4. Horses are not to go onto the course if it is being maintained or if equipment is being moved without permission from Kelsall Hill Equestrian Centre staff.
5. Familiarise yourself with the jumps, turns and gradients before you start jumping.
6. Check the take offs, landings and surface to make sure that they are safe to ride on prior to jumping. **If you start jumping it is deemed that you have approved the safety of the going, take offs and landings and jumps.**
7. All jumps are flagged to determine the direction which you are expected to jump the fences. Kelsall Hill Equestrian Centre bear no responsibility if clients jump fences in the opposite direction to which they are flagged.
8. There are jumps and obstacles of varying difficulty, stay within your comfort and safety level and don't overface you or your horse.
9. No lunging or longreining.
10. Please ensure that the heights and striding distances are suitable for you and your horse, if not, do not jump those fences.

ENTERING AND USING THE BE CROSS COUNTRY COURSE DEEMS AUTOMATIC ACCEPTANCE BY YOURSELF, YOUR TRAINER, THE REST OF YOUR GROUP AND ATTENDEES OF THESE TERMS AND CONDITIONS.
