

Clothing & Equipment

1. All riders must wear correctly fitted BSI Hats to the current safety standard. (PAS 015, VG1 01040, ASTM F1163 – (2004a or 04a onwards), SNELL E2001 or E2006, AS or NZS (3838 2006 onwards).
2. Skull caps must be worn if you are planning to jump.
3. Approved riding footwear must be worn.
4. Up to standard (purple label 2009) Body Protectors are highly recommended for riding round the farm ride and essential if you are planning to jump.

Using the farm ride

1. Make sure you have the centre phone number on your phone 07809 689972.
2. A map is available from the office if required.
3. Horses are not to be on the farm ride if it is being maintained or if equipment is being moved.
4. Stick to your start time.
5. Follow the arrowed route.
6. Please be aware that at certain times of the year, the farm ride or part of may be shut for our BE events, maintenance or farming.
7. There is different terrain over the route, please take due care and walk until you are familiar with the route.
8. Please walk when inside the woodland, animals and birds that inhabit woodland can easily startle a horse.
9. Keep a lookout for rabbit holes, rocks or fallen branches, please report any hazards.
10. Be aware there are 3 footpaths which run through our farm ride. Please be considerate and polite to walkers and dogs and other riders, let them know you are coming, greet them in a friendly way and pass them at a walk with plenty of room.
11. If you are planning to jump, please check the take offs, landings and surface to make sure that they are safe to ride on prior to jumping. If you start jumping it is deemed that you have approved the safety of the going, take offs and landings and jumps.
12. The route goes around the edge of the farm and there is barbed wire and electric fence in place to keep the cows in. Please be careful around these areas and keep your distance, please report any breakages or dangerous fencing.
13. Read the signage carefully. DO NOT ignore any signs stating an instruction.
14. Please respect any strung off areas, do not ride in them or move the string.
15. Look out for vehicles.
16. No dogs are to be taken around the farm ride unless they are accompanied by someone not riding and they **MUST** be on a lead at all times.

USING THE FARM RIDE DEEMS AUTOMATIC ACCEPTANCE BY YOURSELF, THE REST OF YOUR GROUP AND ATTENDEES OF THESE TERMS AND CONDITIONS.
